

The Hampton Roads Chapter

of the

AHS International

The Vertical Flight Technical Society

Invites Members and Guests

To attend the

2017 AHS Christmas Social

The Hampton Roads AHS Christmas Social is held each year during this festive time to socialize with each other, enjoy a meal, and support military families in need. In past years the chapter has worked with the Fort Eustis Army Community Service (ACS) to donate presents for the Holiday to Soldiers' families.

This year, the local ACS has already met the needs of the families they support. However, there may be additional requests as we get closer to Christmas. If they do not have a need for support this year we will try to find another local organization to support. Please stand by for further information.

Date: Thursday, 14 December 2017
